Friends of NE

Not qualified for active membership in ADA?

Through Friends of NE share skills and knowledge with NE members.

Until now, membership in Nutrition Entrepreneurs, a dietetic practice group of the American

Dietetic Association, has been limited to those individuals who were qualified to be ADA members.

Nutrition Entrepreneurs is pleased to offer a **Friends** category that will allow and encourage the sharing of skills and knowledge with individuals and corporations that are not qualified for active membership in ADA.

NE believes that **Friend** participation will create opportunities for sharing and collaboration that will benefit our members as well as other professional colleagues and organizations that promote our goals.
